

**The 200th Anniversary of the Birth of Fryderyk
Chopin and the 150th Anniversary of the Birth of
Ignacy Jan Paderewski**

Greetings,

We turn to you for support of an exciting event, which will take place on Friday, November 12, 2010 in Chicago.

Organized by the Paderewski Association and the Organizing Committee Chopin & Paderewski 2010 and held at The Newberry Library, the special evening presents the Chicago recital debut of the young pianist, Jan Milosz Lisiecki, an extraordinary talent whose playing reflects a remarkable maturity and intuitive interpretation. The renowned American music critic Richard Dyer, will present a lecture on Ignacy Jan Paderewski. A major highlight will be the unique opportunity to view the original score handwritten by Chopin in the mid 1840s of the Nocturne in B major, Op. 62, nr. 1.

This extraordinary evening will benefit from your involvement in the form of selecting to insert a page representing you, your company or your organization in the elegant accompanying program book. Details for contribution are stated in the attached documents.

We entreat you to please participate with us in this outstanding occasion with your generosity.

With sincere gratitude,

Izabela Roman, President
